Professional Summary

Fine Artist, Photographer, and Visual Storyteller creating watercolor, acrylic, and mixed-media artwork inspired by nature. Through art, I invite connection, reflection, and a deeper appreciation for the natural world.

My Vision

My art begins where my travels take me, from the serene sunsets of Maine to the striking landscapes of Arizona. Using photography as my foundation, I transform these moments into watercolor and acrylic paintings that invite viewers to pause and reconnect with the world around them.

Experience

2012–2026

Graphic Designer:

Visual Storytelling, Brand Development, Illustration, Photography, Marketing Communications, Creative Leadership

BayCoast Bank • Swansea, MA • 2022–2026
